JOHN MARSHALL H.S. Spring 80
Volume V Number 1

PRINCIPAL'S MESSAGE

I am pleased to return to the West Park Community and to John Marshall High School where I began teaching in the science department.

I sincerely hope that the many graduates who benefited from the educational and activities programs will continue their interest and support of John Marshall High School.

The next few years will be the most challenging in educational history. Although the faculty and administration will make every effort to meet the changing needs of the current population, it will require the traditional spirit of cooperation well known to John Marshall Alumni to maintain a quality program.

I look forward to having alumni visit the school and renew the warm personal relationships enjoyed over the years.

Our dedicated alumni executive secretary and editor will keep you informed of our efforts and progress in the Alumni News.

William Tomko, Principal JMHS

NEWS OF THE ALUMNI

The Alumni News is constantly searching for news items about Marshall's graduates, faculty, and former students. If you wish to submit news items, please use the address listed under "Info."

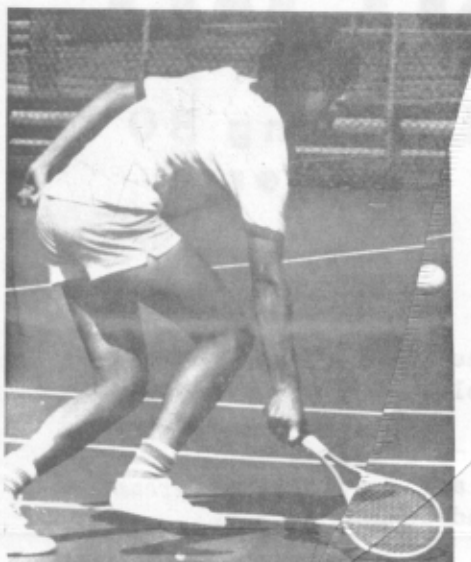

Pass the Alumni News along to friends and relatives who might be interested in the activities of John Marshall. Be sure to send in their names and current addresses so we can mail the next issue to them.

TENNIS

With the help of several anonymous alumni benefactors, your Association sponsored the tennis team in the Spring of '79.

We were indeed proud of the accomplishments of the doubles team of Devin Fleitz '80 (left) and Modesto Ruggiero '79 (right) who placed fourth in state competition.

Coach Truman Fields (from neighboring Clara Westropp Jr. Hg.) and assistant Paul Gruber (from the Alumni Office) saw the team finish the season with a 23 win, 3 loss record. This was the best mark of any 78-79 Marshall team. Sponsorship of the team continued this Spring. Devin is also an Alumni Aide.

MISSING GRADS

The Alumni Office does not generally publish missing persons lists for class reunion committees, however we are interested in gathering information about the following "West Park-Marshall" graduates from our early years. If anyone can supply information, even if the person is deceased, please call the Alumni Office, 251-5740. Leave a message.

OFFICE MOVED AGAIN

"What has happened to the Alumni Office, I haven't received a newsletter in quite a while?"

Your Alumni Office is very sorry that the newsletter has not been published since November, 1978. We are not lacking the funds. John Marshall was one of the first schools involved in the desegregation of Cleveland. Our offices were moved within the building no less than three times. Confusion, packing, unpacking, and changes of addresses just impeded our publication.

We do hope to have another newsletter this fall, and appreciate that our friends have been so patient. Aide *Jeffrey Aufmuth '80* (left) helps unpack Alumni records in room 235, outside the Auditorium balcony.
