LEE BAUER'S MESSAGE

Lee B. Bauer, JM Principal 1946-66, is pleased to be a part of the Marshall history and a faculty member of the Alumni Association. "The Alumni Association is an inspiration to all Marshall Alumni. You have my 100% backing."

Mr. Bauer says, "Hello to each and every one of the graduates from my many years at JMH and I wish I could see each one of you personally."

ALUMNI DRIVE TIME WE NEED YOUR SUPPORT

The Marshall Alumni Association was founded on the theory that John Marshall needs and deserves the support of its Alumni.

In order to maintain our excellent Alumni program, the Association needs your financial support. We never ask for "dues", but rely solely on your generosity. Each issue of the Alumni News costs us approximately \$1,300 for postage and printing.

It means a great deal to the school to know that the Alumni are backing this program. We in the Alumni Office realize how many demands you receive for your funds, but we hope that J.M.H.S. will not be forgotten:

With our new computerization of graduate records, we will be sending out special editions of the Alumni News to donors. Please be looking for yours soon. THANK YOU FOR YOUR CONTINUED SUPPORT!

Make checks payable to "John Marshall Alumni Association." Please enclose any News About the Alumni.

Enclosed is my (our) donation of \$ ☒ in check ☐ cash ☐.

Grad is Lakewood Coach

Ed Haller, June '63, was named head varsity wrestling coach at Lakewood High School. Ed had coached at John Marshall the past 11 years, including the last two as the head wrestling mentor.

The Marshall junior varsity teams had six straight undefeated season between 1970-76 under Haller's direction. He will remain at John Marshall teaching industrial arts and will continue as an assistant football coach.

Haller was a member of the 1961 state championship team while at JM and was named as an All-Scholastic. He is also a graduate of Bowling Green.

Huntington Bank Promotes Grad

Huntington Banks of Cleveland (formerly Union Commerce) announced the recent promotion of Beverly J. (Buddie) Jacob, June '72.

Bev is now assistant cashier for Securities and Money Market Services. She joined Union Commerce in 1973, beginning with the Money Transfer Department. She advanced through several positions with the bank and was previously the assistant manager of the Securities and Money Transfer Department.

She attended Cleveland State University. While at Marshall Bev was in National Honor Society, Gymleaders, and was a cheerleader.

Arizona Court Clerk is Grad

Vivian (Deeley) Kringle, June '46, was recently appointed to the Clerk of the Superior Court of Maricopa County, Arizona. She won her election with 63% of the votes cast.

She has been a public servant for Arizona almost 35 years. Vivian reorganized the procedures in the Clerk's office to blend in with a new computer system. The filing and retrieving of an average of 6,000 cases per day is done without one misfile.

Vivian was a former Trustee of the Leukemia Society Arizona Board and former Secretary of the Arizona Muscular Dystrophy Board. While at JMH, she was in Chorus and Girls Reserves.

Sawyer Honors J M Grad

From the Sawyer College of Business-West came the announcement that Brenda Smith, June '79, was selected as its November "Student of the Month". Brenda is enrolled in the Medical Assisting program. She currently works for Dr. Erwin Jay, Optometrist.

Student of the Month honors are based on academic qualifications, instructor recommendations, and superior attendance.

Where Are They?

How many of your former teachers can you remember from the Faculty-West Park Kiwanis basketball game April 26, 1966?

Front: Terry Scahel, now teaching Physical Education at West Tech, Paul Oswald, teaching Geography at JMH, Neil Martau, assistant principal at Collinwood HS, Jeff Kasler, teaching Industrial Arts at Westlake HS.

Middle: Gene Gibbons, transportation director at JMH, Don Thrall, principal of Westlake Burneson Jr. High, Paul Johanni, teaching sociology at JMH, Don Burke, teaching P.E. at Nathan Hale

Last row: Dr. Carl Locke, now chairman JMH Science Dept., David Cox, special assistant to Cleve. Board Superintendent, Hal Cihlar, retired to Florida, Gary Montain, chairman West Tech Math Dept., Bill Quayle, Athletic Director, Brian Powers, Supervisor for Science at Cleve. Board of Education.

The faculty won the game 52-48 over the West Park Kiwanis.

JM Beautification

John Marshall is undergoing a beautification program. Hallways are being painted, lockers cleaned, and floors polished.

As part of the student projects to encourage tidiness, Art department chairman John Page had his students paint popular figures on the hall waste containers.

Shown at the left is junior Jim Pallotta putting finishing touches to the Pacman container. Other cans have Miss Piggy, floral, or additional video game themes.

Think instructor Anthony Calabrese tells Alumni Student Aide Terry Reynolds the importance of processing skills.

School superintendent Frederick Holliday plans to change the concepts of Think to include computer skills and business practices.

Six of the seven boys who journey to Columbus tonight in search of the state championship are: (l-r) Dennis Savas, John Sabo, Larry Supelak, Chuck Coleman, Tom Wilhelm, and John Henderson. Missing is Bud Burkle.

Era of Champs

Pictured below are the members of the 1961 District and Senate Cross Country championship team. We were Senate champs three years in a row. The previous year was a State championship team.

The 1961 wrestling team, left, was State champs for the first time in school history. John Sabo, (103) June '61, was the only District champ from JMH. He lost in the finals but was the Lawyers' top point scorer with 11.

The 1959 Football team captured the Senate title. Quarterback Neil James, June '60, was named to the Press All-Stars and All-Scholastic, the News Dreamteam, and All-West Senate team.

Drama Dept --- Dracula

Junior Duane Perry was cast in the lead role of the play "Dracula" presented by the JMH Drama Department last January.

Duane aspires to attend Case Western Reserve upon graduation to major in the Dramatic Arts.

He is currently enrolled in the Honors English and American History programs. He is also taking French, Drafting, and Algebra and Trigonometry.

In the summer he drag races and spends considerable time playing the guitar. Duane is employed as a part-time mechanic for the Union 76 Oil Company.

The next play by the Drama classes will be "Plaza Suite" presented on April 13. If you would like to attend, call the Alumni Office at 252-1110.

Two Police Still Help J M H

Officers Clifford Schmidt, January '60, and Les Stacho, June '63, of the Cleveland Police Department, have been assisting their alma mater for years. You will see both during their free time at many John Marshall football and basketball games.

Cliff, who has been with the Arson Unit for 18 years, was the Most Valuable Player of the 1959 Championship football team at JMH. He lettered two years in basketball and three in track.

Les has been on the force for 15 years and is currently serving in Community Response. While at Marshall, he excelled in cabinet making.

Cliff and Les have about 27 years total serving JMHS to help keep order at the games.

New Class Help Students THINK

A new class was recently added to the curriculum at JMH. Although it is an elective in many other cities, the THINK program is a court mandate in Cleveland.

THINK is designed to help students realize their natural thinking skills and develop them. This was called a possible solution to the low reading scores of pupils.

The program deals with six basic thinking skills: Think-making, the process of naming items, Qualification, the process of recognizing characteristics of a thing, Classification, the process of sorting things into groups according to common qualities, Structure Analysis, the process of dividing things into their parts and the reverse, Operational Analysis, the process of dividing events into phases or stages, and Seeing Analogies, the process of recognizing a similarity between relationships.

Over the entire course, language will be analysed, reading comprehension will be stressed, and basic logic will be covered.
