Even before you begin to read anything in this newsletter, you will notice a change. It is by far the best newsletter yet, and represents the format for the foreseeable future. This monumental task has been undertaken by Larry (79) and Carolyn (79) Flanagan and is just the beginning of many exciting things that your Alumni Association is planning.

The first Alumni Night in over 40 years is scheduled for May 19. Ross Bassett (1/70) is in charge of this event and it promises to be a most interesting evening. Check the bulletin inside and get your reservations in early.

Changes to the by-laws, board of trustees and officers are in the works and the details should be available by the Fall Newsletter.

As announced several years ago, we are still planning to commit all of the "Interpreters" to microfiche. We may still be missing a few issues (see notice inside). As soon as we are certain that we have all issues we will move forward and with well over 3,000 pages this promises to be a very expensive undertaking. This is the first major step in writing the History of JMH and Rockport Township. (Did you know the JMH centennial will be in 1999?)

Also in the near future we will need to think seriously about a new computer (I recently discovered that these things do have a finite life expectancy).

So, as you slip on your bunny slippers and settle back to a few moments of nostalgia, remember the countless hours spent by all the volunteers in these endeavors and please, be as generous as you can in your support!

Ralph Pfingsten, Alumni Director

## In The News...

An article in the Cleveland West Side Sun News - 2/11/93 reported that **Tom Elkins**, JMH boys track coach, has been chosen as the 1992 Career State Coach of the Year by the OATCCC. A partial list of coach Elkins credits include: taught and coached track for 17 years; boys track coach at JMH since 78; cross country coach for 9 years; member of the All-Ohio Track team coaching staff; his boys varsity was state champs (Div I) in 91 and 92. The Career State coaches award goes each year to a coach who is still active, has 5 years active service and has had an outstanding record of contribution to the sport at the local and state level. Brothers **Mark** (72) and **Steve O'Donnell** (72) were featured

on the cover of Cleveland's The Plain Dealer "Sunday" Magazine, 1/3/93. Inside was a 6 page store that was very flattering. Both boys earned straight A's at John Marshall High School and graduated with Honors from Harvard University in 76. A couple years after graduation the two brothers settled in New York and have lived there ever since. Steve is one of eleven writers for "Late Night with David Letterman." He has been with David for 10 years, and gets credit for inventing Letterman's signature Top Ten Lists. Mark Freelances, writes humor, short stories, books, draws cartoons and writes plays. He is a former staff writer for Saturday Night Live (81-82) and has had prose and cartoons published in The New Yorker, the New York Times, The Atlantic, Newsweek and Spy.

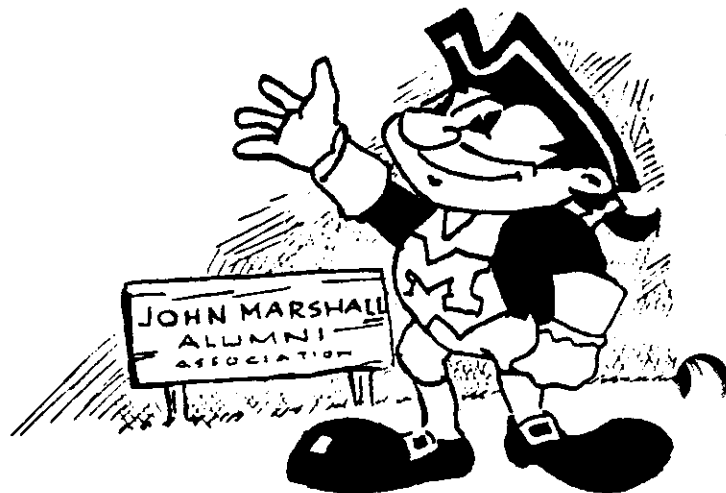

An article in the Cleveland West Side Sun News - 11/26/92 reported that **Stanley Drayton** (90) was named the Offensive Player of the Year (for both the 91 and 92 seasons) in the North Coast Athletic Conference. Drayton played for the Allegheny College Gators and ended his college football career as the schools all-time leader in career rushing (3,263); season rushing (1,375 in 1991); career rushing touchdowns (54); touchdowns in a season (27 in 1991); career points (336); and season points (168 in 1991).

**Elmer "Dutch" Weingartner** (36) was featured in Cleveland's The Plain Dealer - 7/4/92. In 1945, Weingartner played for the Cleveland Indians for one season. His pro ball career stats read: 39 at bats, 9 hits, .231 batting average, 1 double, 5 runs, and 1 RBI (Elmer played in 20 games). Back then he was paid \$400.00 a month - compare that to a guy hitting 200 today making \$200,000, times have changed! Before and after his days with the Indians, Elmer played in the minors. Today Elmer lives in Cleveland and keeps busy repairing washing machines & refrigerators from his West Side Service Co.

(If you, or another JMH grad, appear in a current newspaper article, send it in to us and we'll try to mention it in the next newsletter.)
