Volume 50
Number 1
Spring 2023

Greetings from the President's desk:

I hope the new year of 2023 will be better for everyone. Our Alumni Association (JMHA) is strong and doing well. However, we could always do better.

There is room for several additional Trustees, and we are hoping you might be interested. We meet the first Wednesday of the month from 6:30 until 7:45 from January through June and again from September through November.

Please consider joining us for any of our meetings, to see if you have any questions and might consider joining us. More information can be found on our website : www.jmhalumni.com

As many of you know, any graduate of a Cleveland Public High School (CMSD) can receive a college scholarship, equal to the cost of state tuition. The program is called SAY YES. Books and Dorm fees are not included.

Each year, the JMHA awards six, \$2,000.00 four year scholarships to JM students. This helps pay their tuition (if not attending a state public school) or books and other costs. See page 2 for the 2022 recipients of this award.

I hope everyone has a great year!

Regards,

Ken Tischler 1/57

Last year we had 72 students graduate, 52 of these students graduated with a SayYes Scholarship. This year we have applied for Career Tech Ed status with the state. This will take effect in the 23-24 school year. This will allow our students to earn industry credentials and gain work/internship experiences.

One special award was given to our Golf Team who won the Golf Championship and our Coach Beth Spann won coach of the year!

In September many of our female students participated in the STEM goes Red event at Baldwin Wallace where they explored the field of STEM.

In October our students put on their first-ever live haunted house. The newly formed Fright Club built sets, wrote scripts, and acted in an interactive spooky spectacular and were able to raise funds to continue the club for future years!

In December our English Language Learners hosted their annual potluck featuring cuisine from the many cultures that represent our building. Some of the countries that were represented include Tanzania, Congo, Honduras, Nepal, Puerto Rico, Afghanistan, and Somalia!

We also took our students to the Wright Museum this year. Over 100 students took a trip to Detroit to experience "And Still We Rise" which is an immersive experience that offers a comprehensive look at the history of African American Resilience."

Just last week we also took students to the Great Lakes Science Center for a sponsored City Club event to learn more about Native Americans, our first scientists.

Where are they now?

40s

Dorothy Jean (McCave) Kullman 1/44

I am the daughter of Dorothy, Janet Adams, and am writing to inform you of the passing of my mother, Dorothy on March 17, 2022. Mom was a 1944 graduate of John Marshall. I grew up hearing stories of the school where she met my father, Jack R. Kullman, who was one year older. They started dating and became childhood sweethearts. Several years later they would become officially engaged on the front steps of the old John Marshall High School where they had first met. They were married after both had completed college. Mom and Dad enjoyed a wonderful life together for more than 57 years until my Dad's passing in 2005. I remember they enjoyed attending their reunions and staying in touch with several of the lifelong friends they had made in high school. John Marshall played a special part in their childhood memories. Thank you.

Dorie (Vogt) Schill 6/46 it is great to still have the newsletter each spring and find out what's happening with our "old" school. Drove by the "new" school in Sep. 2017 when I celebrated by 89th-90th birthday. Good luck to all the committee members.

Nancy Reiss 6/48 passed away at age 91 10-31-2021 just after turning 91. She enjoyed her life after graduation. She retired from Key Bank after 38 years. She enjoyed traveling many states and the Mississippi River on every steamboat line, plus the Columbus River and Oregon Trail. Had great fun and a few jackpots at the Vegas casinos and then other casinos as they opened in surrounding areas. She was cared for at home by her sister for ten years, happily. I am her sister, Marylou Reiss. As you can tell by the handwriting I am 95 years old and it was an honor to care for my precious, beautiful sister. I would do it all over again as hard as it was to see what the evil dementia did to her. In spite of it she made it easy for me. Should you acknowledge her in the alumni news would you please send me a copy? I would so appreciate it. Then you can eliminate her from your mailing list. I knew many of Nancy's school "friends" and neighborhood students so I enjoyed reading the newsletter with Nancy. Thank you!

John (Jack) P Gallagher 1/49 I enjoy reading this newsletter. I've been away from Cleveland since 1953. I have many fond memories of John Marshall and the members of the Jan 49 class. I

credit many of my successes to the education that I received at the school.

Hazel (Hervi) Sefing 1/49 Norma, I also would like to hear more from classmates. Utah is still a nice place to live.

50s

Bob (Kappy) Kappenhagen 1/55

I have no idea who will read this short note, but I would like to stay connected with any JMH

1950 alumni. I would like to suggest a reunion for the class of 55 and wonder if other classmates live in Texas.

Frances (Godor) Jarolimek 6/53 I married Lou Jarolimek JMH grad 1/52, passed in 3/16. Keep in touch with 53 grads Dor Tornatzky, Joan & Ron Davia. We are still fairly coherent for our advanced ages. Must be the JMH influence. Thank you for keeping the Alumni Association going.

Daniel J. Forst 6/53 Dan Forst is having a one man show of his oil paintings in Bay Village, OH.

Nancy (Cameron) Thompson 6/54 my mom passed away Sep 30, 2020 at home with me, her daughter. Mom and dad met at John Marshall at age 15. Dad was Roger Thompson. They married in 1956. They had 2 children my brother and I. My brother had 2 children and then 4 grandchildren. Mom, Dad and I went to Nevada in 1998. It was hard to leave Ohio and all our family. Mom and I got very close after dad passed. I really miss her. She was a wonderful person inside and out. I love and miss you

Joan & Ralph (Leib) Williamson both 1/54 in January of 2022 we sold our home in Phoenix and moved into Independent Senior Living. This means Joan doesn't have to cook or clean anymore, hurrah! The only thing that keeps us from flying back to Cleveland now is very bad knees that prevent Ralph from getting up & down easily; otherwise, we're still going strong. Love reading all the news, by the way, we are both still working!

Shirley Griffey 55 I really appreciate receiving the alumni newsletter and thank you so much all you do.

Robertta (Herbert) Detmar 6/55 I always enjoy receiving the newsletter. I am living in North Olmsted spending time reading, crafting, gardening and enjoying my two teenage grandsons.

HISTORICAL SOCIETY

Founded 2005

West Park Historical Society

Consider joining the West Park Historical Society. Share your love of history and enjoy learning about the neighborhood JMH is involved in. Did you know we have over 14 publications? Some of our best sellers are: **West Park Then and Now**, **One Minute to Puritas Springs Park**, 4 different **West Side Cleveland Restaurant** books and **True Tales of Old West Park**. All reasonably priced at \$15.00 each. See our website, westparkhistory.org for more information or contact Elaine Schultz Staley 6/68 at 216-267-3857.

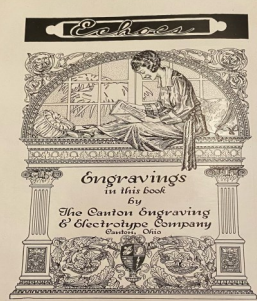

Echoes, our newest publication is a fascinating adventure back one hundred years, to the year 1923 with stories, poems, pictures, and advertisement all compiled by students of what was then West Park Lincoln High School. You will see never published pictures of action around the school and in the West Park area. When the city of Cleveland merged with West Park in 1923, the name of the school was changed to John Marshall High School. The original building is still standing at West 152nd and Lorain.

Thank you!

Looking to Purchase:

James Harrigan from 1980 sent in a request for information about a Wool Felt Football that was pictured in the 1979 Vanguard. He would like to purchase it and can be reached by calling 216-954-2399. It was made by Collegiate Ames or Collegiate Pacific.

**Scholarship
Awards**

Each year the JMH Alumni Association awards several \$2,000 renewable scholarships to graduating seniors who plan to attend a two-year or a four-year college or a licensed technical school. Recipients must have a solid GPA and show financial need.

The committee also looks at honors that the applicant has received while at JMH. School clubs, athletic teams, volunteer activities, community service, and work experience are other items that the committee takes into consideration when looking at the applicant.

Your donations help to keep our endowment foundation solid and to enable these scholarships to be awarded.

The picture of The Olympic Recreation in last year's newsletter brought back many a good memory from some of the JMH alumni. We thought you'd enjoy reading them!

Carol (Kopcak) Mishik 78 thank you for posting pictures of the Olympic Recreation. Oh my gosh, I have been trying to remember the name of this place for years. Every time we drive by the corner near Fairview Hospital I've tried to picture the bowling center. The first league I belonged to, Clara Westropp Jr. High (1972) was at Olympic. The one picture showing the cashier stand, I remember them always standing so high above the customers. Bowling is so much fun!

Deborah (Quillin) Fought 76 my father was a bowler and both dad and mom were on leagues at Olympic and dad became great friends with the owner Bill and his sons Bill and Jeff. I was a waitress at Sambo's and would stop in to visit with my dad and Bill would buy my tip change for his cash register for kids to play the coin games. Those truly were the 'good old days'!

Cindy (Krist) Kosan 76 writes to say her father Carl and husband Mark played on leagues for St. Patrick's Holy Name Society at Olympic Recreation.
